ACKNOWLEDGEMENT

I am blessed to have *Maha Maharishi* as my spiritual *guru*, who directly or indirectly enlightened my path through his blessings in this journey.

I remember the almighty, who is the inner *guru*, for selecting me to perform this work at this esteemed institute.

I am grateful to my parents, family members and especially the most special person, my wife who has been a pillar and support to me in all aspects because of which I was able to focus on my PhD work.

I am very much thankful to my respected Guides Dr. Ramesh Mavathur and Dr. Manjunath Sharma for giving me full support, guidance and constant motivation throughout my course duration, and for giving their valuable time.

I also would like to thank Dr.Subramanian Kannan from NH for his insights and guidance towards taking up a novel concept in type 2 diabetes for my PhD.

I am grateful to all my colleagues of S-VYASA and MDRF for being with me whenever I was in need of support during the whole study.
