

## ACKNOWLEDGEMENT

I am blessed to be associated with S-VYASA, the spiritual hermitage of Lakshmi Amma and the place of penance (tapasya) of Dr. H R Nagendra and Dr. Nagarathna. My guide Dr. TM Srinivasan was a divine intervention, a great inspiration and guidance. But for him this study would not have been possible. Equally thankful to my Co-guide Dr Ramesh Mavathur for making himself accessible whenever I needed him and the valuable inputs he provided. Dr. Judu Ilavarasu has a role in shaping many research scholars and I am fortunate to be one of them.

My sincere thanks are to the faculty that taught me and the academic administration of S-VYASA. It was nice to have friends/coursemates in Dr Gurudeo and Dr Kuldeep Kushwaha, Ms Astha Choukse, Ms Savita Salgoankar, Dr Amravati and Ms Rajeshwari. The Journal club at Eknath Bhavan was extremely useful and bonding. My special thanks to all the student members and the faculty that made it interesting and memorable.

I am highly indebted to my wife Dr. Beena Bhat and daughter Ms Zeshta Bhat for continuous encouragement and instilling confidence

And ultimately, it was the desire of lord Shiva.
