

ACKNOWLEDGEMENTS

First and foremost, I offer my humble salutations to the Divine Almighty, without whose blessings it would have been impossible for me to accomplish this work.

I am indebted to Swami Vivekananda Yoga Anusandhana Samsthana (SVYASA) for giving me this opportunity to study Ph.D.

I express my profound gratitude to Dr. T. M. Srinivasan for his support, guidance and continuous encouragement. Without his insightful guidance, it would not have been possible to complete this PhD work in time. I also express my sincere gratitude to Dr. Shivarama Varambally.

My sincere thanks to Guruji Dr H R Nagendra and Dr R Nagarathna for teaching me all that I know in the field of Yogic Sciences.

I take this opportunity to thank Dr Manjunath Sharma, Dr Deepeshwar Singh, Dr Kuldeep Kushwaha and Dr Guru Deo for offering the support from Anvesana Research Laboratories. I am also very thankful to Mr Mooventhan and Mr Suman Bista for their whole hearted support in this project work.

I would like to thank in particular all the staff of S-VYASA University including Examination Department for their kind cooperation.

My family deserves my final thanks. I will be forever grateful to my wife Dr Praerna Bhargav and daughter Yukti for their lasting co-operation and love. I am also grateful to my parents Mr Shyamlal B Bhargav and mother Mrs Leela Bhargav for their unflinching love and encouragement.

Dr Hemant Bhargav
