

CONTENTS

Chapter and Section No.	DETAILS	Page No.
1	INTRODUCTION	18
2	LITERARY RESEARCH	41
2.1	Background and scope	42
2.2	Indian traditional texts	51
2.2.1	Indian traditional texts on parenting	51
2.2.2	Indian traditional texts on hostility	60
2.3	Summary of earlier works on addressing aggression, violence through yoga	67
3	Review of scientific Literature on parenting styles as predictors of adolescent delinquency, and yoga intervention to address delinquency	74
3.1	Parenting processes and child delinquencies	76
3.1.1	Parental adversity index namely, education levels, socioeconomic background, and under privilege as predictors of adolescent delinquency.	76
3.1.2	Adolescent-parent communication levels as predictors of delinquency.	81
3.1.3	Research dismissing the parental direct control as empirically irrelevant.	86
3.1.4	Parental rejection of child as a significant cause for child	86

	depression and delinquency.	
3.1.5	Parental violence, personality traits as significant predictors.	96
3.1.6	Parenting style leading to adolescent criminality and substance abuse.	108
3.2	Addressing adolescent delinquencies through the intervention of yoga.	132
4	AIMS AND OBJECTIVES	138
4.1	Aims of the study	139
4.2	Objectives of the study	139
4.3	Justification of the study	140
4.4	Hypothesis	141
4.4.1	Null hypothesis	142
4.4.2	Alternative hypothesis	142
4.5	Research Questions	142
5	METHODS	143
5.1	Participants	144
5.1.1	Sample Size	144
5.1.2	Selection and source of participants	146
5.1.3	Inclusion criteria	148
5.1.4	Exclusion criteria	148
5.1.5	Ethical considerations	148
5.2	Design of the study	149
5.3	Variables studied	150
5.3.1	Scale: Attitude toward violence	150

5.3.2	Scale: Beliefs about aggression and alternatives	151
5.4	Interventions	152
5.5	Data extraction	154
5.6	Data analysis	155
6	RESULTS	156
6.1	Adolescents' attitude towards violence	157
6.2	Adolescents' beliefs about aggression	160
6.3	Adolescents' beliefs about alternatives to aggression	162
7	DISCUSSIONS	165
7.1	Effect of yoga on adolescents' attitude towards violence	166
7.2	Effect of yoga on adolescents' beliefs about aggression and alternatives	169
8	APPRAISAL	171
8.1	Summary of the findings	172
8.2	Conclusions	175
8.3	Implications of the study	178
8.4	Applications of the study	178
8.5	Strength of the study	179
8.6	Limitations of the study	180
8.7	Suggestions for future studies	183
	BIBLIOGRAPHY	184
No.	APPENDICES	206
1	Yoga Module for experimental group	206
2	Physical Exercises module for control group	207

3	Informed Consent form for parents: English	209
4	Informed Consent form for parents: Kannada	214
5	Informed Assent form for adolescents: English	217
6	Informed Assent form for adolescents: Kannada	223
7	Institutional Ethical Committee Approval	226
8	Scale – Attitude Toward Violence: English	227
9	Scale – Attitude Toward Violence: Kannada	228
10	Scale – Beliefs About Aggression and Alternatives: English	229
11	Scale – Beliefs About Aggression and alternatives: Kannada	230
12	List of publications from this Doctoral Thesis	231

LIST OF TABLES AND FIGURES

TABLE NO.	TABLES	PAGE NOS.
	CHAPTER 1	
	INTRODUCTION	
1	Developmental stages of life – Indian traditional perspective	23
2	Sixteen <i>samskāras</i> (Sacraments) - Indian traditional perspective	25
	CHAPTER 5	
	METHODS	
3	Demographic details	153
	CHAPTER 6	
	RESULTS	
4	Attitude Toward Violence: Impact of adolescents' age	168
5	Attitude Toward Violence - Results of paired 't' test	169
6	Sub-Scale: Beliefs about aggression – Results of paired 't' test	173
7	Sub-scale: Adolescents' beliefs about alternatives to aggression - Results of 't' test	176
FIGURE NO.	LIST OF PLATES/FIGURES	
	CHAPTER 5	
	METHODS	
1	Sample summary	154
2	Pictorial representation of study plan	158

CHAPTER 6		
RESULTS		
3	Normality Test - Adolescents' attitude toward violence	166
4	Mean Score Comparison - Adolescents' Attitude Toward Violence	167
5	Normality test – Adolescents' Beliefs About Aggression	171
6	Mean Score Comparison - Adolescents' Beliefs About Aggression	172
7	Normality Test – Adolescents' beliefs about alternatives to aggression	174
8	Mean Score Comparison - Adolescents' beliefs about alternatives to aggression	175
